Assessing Official Comments:

QUALITY: Contractor continues to provide detailed reports of the contract services with recommendations to mitigate future issues. The contractor has a preventative maintenance thought process that saves the government money by recognizing problems before they happen.

SCHEDULE: The contracts provides excellent service to the PACAF bases by having the flexibility to work with and around the bases' schedules. No delays to maintenance have been noted due to the contractor. All services have been completed within the timelines of the contract.

COST CONTROL: Contractor schedules trips that include multiple bases during a single trip. This save the government money by not having to pay

FOR OFFICIAL USE ONLY / SOURCE SELECTION INFORMATION - SEE FAR 2.101, 3.104, AND 42.1503

for each base individually. The contractor uses base facilities whenever possible to save the government from having to utilize downtown rates.

MANAGEMENT: The contractor provides a professional service and performs all functions of the contract. The management and oversight of the this contract has been exceptional and has only garnered positive feedback from the bases.

ADDITIONAL/OTHER: The AO agrees with the AOR's assessment.

RECOMMENDATION:

Given what I know today about the contractor's ability to perform in accordance with this contract or order's most significant requirements, I would recommend them for similar requirements in the future.
