

Mike, Laine, Terry, Chuck and Sean,

I want to thank all of you for the amazing training my Sailors from HOWARD received on the 15th of November from all of you. I was told it was mess deck conversation the next day on "how cool it was going through the different fire fighting scenarios". I have enclosed one of our Mustang coins for each of you in a small token of appreciation of all the hard work and the dedication all of you provide not just to our Sailors, but protecting Americans.

THANK YOU!

Sincerely,

A handwritten signature in black ink, appearing to read "Tim Camacho". The signature is fluid and cursive, with the first name "Tim" and last name "Camacho" clearly distinguishable.
